Major General Don R. Ostrander, USAF  
Commander  
Headquarters, OAR  
Washington 25, D. C.

Dear General Ostrander:

Thank you for your invitation of August 23rd to attend the Tenth Annual Air Force Science and Engineering Symposium at the Air Force Academy on the 8th, 9th and 10th of October.

As you may know, I have recently resigned my previous position and am now in the process of relocating. For this reason, and while the agenda contains many interesting and worthwhile items, I feel that it will not be possible for me to be out of Washington at that particular time.

Thank you for extending me the invitation, and I hope that the Symposium will be a successful one.

Sincerely,
